

EYOSIYAS HAILEMICHAEL TESEMA

Information Systems Graduate, MERN Stack Full-Stack Web Developer

✉ eyosi4314@gmail.com ☎ +251 23078426 📍 Addis Abeba, Ethiopia 🌐 github.com

Professional Summary

Information Systems graduate with Very Great Distinction (CGPA 3.76/4.00) and certified MERN Stack Full-Stack Developer. Experienced in designing and developing responsive web applications, RESTful APIs, AI-assisted systems, and database-driven solutions. Strong analytical, problem-solving, and leadership skills with a passion for building scalable software solutions and continuously learning modern technologies.

Education

Bachelor of Science (B.Sc.) in Information Systems, Arsi University 2026

- CGPA: 3.76/4.00 | Major GPA: 3.84/4.00 | National Exit Examination: 79
- Graduated with Very Great Distinction, demonstrating consistent academic excellence and strong technical foundations in software engineering and information systems and Networking.

Technical Skills

Programming

JavaScript, Java, C++, SQL, HTML5, CSS3

Frontend

React.js, Bootstrap 5, Responsive Web Design

Backend

Node.js, Express.js, RESTful APIs

Databases

MongoDB, MySQL

Tools

Git, GitHub, Visual Studio Code, Postman, Microsoft Office

Core Strengths

Leadership, System Analysis, Problem Solving, Critical Thinking, Team Collaboration

Projects

AI-Powered Garage Management System

- Designed and developed a full-stack web application for managing customers, vehicles, repair services, and workshop operations.
- Integrated AI chatbot functionality to automate customer support and improve workflow efficiency.
- Developed secure REST APIs and responsive user interfaces using React.js, Node.js, Express.js, and MySQL.

Technology-Based Club Website

- Designed and developed a responsive university club website for announcements, events, and member registration.
- Improved user engagement through structured navigation and AI-assisted chatbot integration.

Netflix Clone

- Developed a responsive Netflix-inspired web application using React.js and reusable components.
- Applied modern UI/UX design principles to improve frontend development skills.

Leadership and Extracurricular Experience

President, Arsi University Technology-Based Club

Led student technology initiatives, organized workshops, and promoted innovation through collaborative software development activities.

Class Representative, *3 Academic Years*
Represented students, coordinated communication with faculty, and supported academic collaboration.

Leader, *Christian Students Fellowship*
Organized leadership development programs, mentoring activities, and community service initiatives.

Volunteer, *Student Success Survey Committee*
Contributed to institutional quality improvement through student satisfaction surveys and data collection.
